

Digital Home Piano HP-97

Suzuki introduces a Home Digital Piano that's not only beautiful to look at, but fun for the whole family. A powerful musical instrument, the HP-97 is packed with features that combine technically advanced performance with traditional elegance. The HP-97 fits any sized room or décor. Fill your home with the amazing 3D multi-layered stereo Grand Piano sound that replicates true texture, depth and delicate nuances of the finest acoustic grand pianos.

The HP-97 is a digital piano that never needs tuning or maintenance. Choose from 30 instrument voices. EQ and digital effects let you sound sculpt each voice for endless musical possibilities. Natural balanced advanced hammer action keyboard delivers authentic Grand Piano touch (teacher recommended) while 120W, 4 speaker sound system creates astonishing acoustic sound realism. There are a host of accompaniment and teaching features. Compose and store your own songs with built-in 3 track song recorder. Learn to play yourself with 50 built-in play-a-long songs, music teacher lesson program and piano instruction book with DVD. Practice in private with stereo headphones (optional).

Suzuki's new HP-97 Home Digital Piano. It's a whole new world of music, fun and entertainment for the whole family.
